Bring your old glasses for us to recycle Information 909-921-2330 Michael

Do you want internet access in your hangar?

The Airport Office is considering allowing an internet service provider to install wireless technology on airport grounds in order to provide internet access, for a fee, within the hangars. Estimated fees would be roughly \$20 - \$40 per month for personal class service and roughly \$100 per month for commercial class service (pricing based upon speed). In order to ascertain the potential demand for such service, the Airport Office requests your assistance. If you may be interested in this type of service, please contact the Airport Office to tell us your interest. You can either come by the office, call us at 909-982-6021, or email Stephen at sdunn@cableairport.com.

PS.. Tony Settember at Foothill Flying Club is using it now. "It is wonderful!" Say goodbye to Verizon. Fast reliable internet finally has arrived at Cable. Very Fast. It is a great deal. Try it!

Tony

NEWS FROM CABLE FBO's

Maniac-Mikes has been busy with juggling the cool salads with the hot soups as you just can't tell which way the weather is going. Either way you can't go wrong, both are delicious. We hope that you are having an enjoyable summer at whatever you are doing. We also thank you for choosing Maniac-Mikes as your place to dine. we appreciate all of your business. If you have comments or concerns please address them to maniac@maniac-mikes.com.
