Maniac- Mikes Café

There are some fresh faces around the café these days. Please come in and say hi to some of the new crew members. We had an intermittent problem with the fryer last month. It is Fixed! French Fries are Back!

This is October and Halloween is close by. Parties are beginning to book up for the November and December Holidays. Please call me early for your party!

Thank you for eating with us.

Mike Stewart, Family, and Crew.

High School and College Students ask for special discounts.

Vol. 45, Number 10

Cool weather greeted the quarterly meeting for the EAA/CAF/Cable Tenants on Saturday, 9/27. Doug Schuster and John Selk were the chefs and provided hot dogs and hamburgers to the 100+ people.

Bill and Mary Cary did a great job in coordinating this event and getting the raffle gifts.

Thanks to all who pitched in and helped!!!

Cliff Heathcoat, pulled tickets for the many raffle gifts that were obtained from IHOP, Victory Girl, Mag Lite, The Av8r Shop, Foothill Flying Club, Maniac Mikes Café, Foothill Aircraft Services, and others.

Cable Airport Manager Stephen Dunn was the invited speaker at the EAA/CAF/Cable Tenant Dinner on Sept. 27. He talked about his visions of where Cable Airport will be over the next few years; about the survival of Cable and other general aviation airports; and what we all will have to do to help them survive. He answered questions that was relayed to him prior to this dinner and those from the audience.

Ethan Gadis join us for the evening. He recently was discharged from Casa Colina following the recovery from his aircraft accident. He is still limited in walking and will be having more surgery on his ankle, but he is planning on going back to school for now. He is raring to get back into the air.

Good for you Ethan,
Keep up the good works!!

One of the best parts about having the gatherings.....it is seeing many of our old friends. We lead such busy lives, we don't stop to think about missing people until...wow...there is.....I haven't seen him in a long time. That was really true, as people started gathering for happy hour at 5:30 and continued on even after Stephen gave his talk.

One added benefit was we got to meet some new people. It is always good to welcome newbie's into the Cable Airport Family.

Our next "gathering" will be the Holiday Party on December 13. As plans develop, we will let you know what to expect, and look forward to see all of you there.

2014 Reno Air Races with Chris LaFave and Crew

Each year many Cableites travel North to take in the annual Reno Air Races. 2014 was a different year for many as they were part of the event. Chris LaFave was racing the T-6 SNJ #94 Midnight Express and brought along his friends and family as crew and support staff!! It is one thing to be there, sit in the stands and watch the excitement.....totally another story to be a part of the whole thing. We want to thank Chris and Megan for giving us the opportunity to be part of a great adventure. Please check out their website www.midnightexpress94.com and read about our adventures and see the movie clips taken during Chris' flights. Experience a part of it!!!!

Sept. 18, 2014 Rialto Airport is CLOSED! Cardinal N34860 (Cableites Steven & Jody) & Bonanza N4852J (Joerg) were the last 2 planes landing @ L67 before city officials & the FAA closed the field forever. Judy Scholl was there as well - all dressed in black. We took off runway 24 in formation just before 1400UTC (7AM local time). A sad moment. Ground crews started right away to mark all runways and taxiways with big yellow Xs. I went back - by plane - a few hrs later and they were done. The airport is history!!

After 13 years and 9 months of work, N4603X is officially in the air!!!! Greg did install all the fairings and access panels, & verified the engine parameter programming. When he put the fuel in.....gee it stays runnin!!!! A few high speed taxis, cowlings off and wow, no oil leaks, a few more high taxis and oooops, we are in the air and away we go!!!!

We look forward to seeing Greg and N4603X in the air a lot to get those hours flown off. Congratulations Greg, lookin' good!!!

The most rewarding things you do in life are often the ones that look like they cannot be done.
