## *Foothill Flying Club and Cable Airport Supports* **AeroFlyte of Pomona**

### **Flying Club- Best kept secret for 4 decades-**

**AeroFlyte of Pomona** has been incorporated since the late 1960's and have a beautiful Cessna 172 that is kept in a hanger at Cable Airport. Members pay a small monthly fee that includes one hour of flight time (wet) so that members are encouraged to stay current and fly the airplane. The monthly fee also includes the hanger, maintenance and insurance costs. Each member treats the airplane as an owner. They have an online calendar so each member can schedule the airplane 24/7 and fly to wherever they want to go.

Aeroflyte is accepting applications for a few new members who are interested in having a good quality airplane to fly at a low hourly wet rate. Prospective new members must submit an application that will be reviewed by the Corporate Officers and voted on by the membership for approval. Applicants should have at least 150 log book hours in same type aircraft for consideration.

Applicants may contact Ernie Braunwalder, President for more details and a membership application at (909) 215-8800. Happy Flying!

**Maniac-Mike Café**

Well here it is May already and you know what that means right? Yes it is one more month closer to summer, May brings flowers and yes there will be birthdays, weddings and Anniversaries. This month we pay homage to our mother's. Please take the time to spend time with your mother on this day.

**For the past 13 years Maniac-Mikes Café has donated a portion of Mothers Day sales to the ALS Foundation.** I lost my mother in 1999 to this horrific disease and hope that someday they are able to help cure it. As for the weather it has been great and it appears that more aircraft are out in the skies, which is great for all of us at the airport. Maniac-Mikes would like to thank all of you that go out and fly around, as it encourages people to stop by the airport. Maniac-Mikes thanks you for all of your support, have a blessed month.
